Attention Mr. George Ricks

Dear Mr. Ricks:

Confirming our conversation, effective January 1, 1974, the additional charge for picking up Methanol Phosphoric Acid Waste will be \$100 per truck load. The remainder of our contract will remain unchanged.

Although we normally never change our terms during a contract period, it is due to the extraordinary times that we must reserve the right to alter our price structure, subject to ninety days' notice.

Very truly yours,

  
Leif R. Sigmund
